Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Virgoz is only Trading company which does not handle any production or stock possession.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We will closely monitor the progress update from all our suppliers, and how well they adhere to the given deadline at each phase during the implementation. We shall then eliminate any suppliers from our supply chain if they failed to achieve/implementing the RSPO sustainable/certified palm oil within the considerable sufficient deadline. As ultimately our goal is to source only the sustainable/certified palm oil from the suppliers whom has strictly complied to the RSPO Principles and Criteria.
